How is School Chaplaincy funded?

Our school has received a Federal Government grant as part of the National School Chaplaincy and Student Welfare Program. This grant will fund our school chaplain for up to 10 hours per week until the end of 2014. Building upon this, we have the opportunity to fully realise the potential of this program by increasing our chaplain’s time at school. Many schools have sourced additional funds from local grants, P&C activities, business sponsorship, community groups and individual supporters. To get involved in expanding the positive impact of this program in our school, drop in and have a chat or visit mychaplain.org.au.
